

Targus® Wireless Bluetooth Stereo Headset

- Designed and tuned for optimum audio quality with dual low impedance, high sensitivity 30 mm speakers
- Crisp, clear speech with omni-directional microphone and ambient noise-cancelling technology
- Lightweight and balanced, plus soft padded adjustable headband and ear pieces for all-day comfort
- Detachable, rotatable boom microphone for left or right use
- Handy on-ear touch audio controls and mute switch on boom
- Extra internal microphone for use without a boom microphone
- Pair up to 2 devices wirelessly with Bluetooth® 5.0 technology
- Optional wired audio connection (3.5 mm Aux cable included)
- Rechargeable 410 mAh Lithium polymer battery (USB-C® charging cable included)
- Stamina 16+ hours of talk / playback time with on-ear battery life checker
- Compatible with major conferencing software on Windows®, macOS™, and Chrome OS™

Boost your productivity and go hands-free with the Targus® Wireless Bluetooth® Stereo Headset. Using a headset frees up your hands to take notes, multitask, and comfortably take calls without cradling a phone between your neck and shoulders. With a full charge on its 410 mAh Lithium polymer battery, this headset supports 16+ hours of talk or playback time so it's ready to work when you are, plus you can keep the headset topped up using USB-C® charging cable (included). Although this headset is equipped with Bluetooth® for wireless convenience, the 3.5 mm auxiliary (Aux) cable (included) offers an optional wired connection.

With its soft padded adjustable headband and earpieces, this lightweight, balanced headset offers a comfortable, secure fit for all-day wear. The rotatable, omni-directional boom microphone allows you to find optimal mic placement. Equipped with directional noise-cancelling technology, this headset microphone is fine-tuned to suppress ambient sound and ensure speech clarity for your conference calls. The dual over-ear speakers are designed to deliver optimum sound quality whilst providing passive noise cancelling to block out the noise around you.

And this stereo headset isn't just for calls, it can be used to listen to music for a full immersion experience at work or at play. Bonus: No need to take your headset off to control this headset. Audio adjustment and call connecting controls are at your fingertips, located on-ear and on the mic for optimum convenience.
